TUESDAY, JAN 14, 7:00 AM

No man fails on purpose. No man succeeds by accident.

You won't want to miss this! Together, in the same room, hear from two of America's leading voices who speak to the core issues of men today, affecting our families, churches and the culture, and how we can respond. Both men and women are welcome since both will benefit from what will be shared.

*Event hosted by Craig Mayer and Greg English, Arizona Area Directors with Man in the Mirror, and Bethany Bible Church. An opportunity to financially support MIM will be presented. A special thanks to Bethany Bible Church and The Place Restaurant for their support. A limited quantity of Patrick Morley's newest book, The Christian Man, will be available at the event for signing.
